C.L. "Butch" Otter, Governor
Toni Hardesty, Director

**Project Certification as required by the American Recovery
and Reinvestment Act of 2009**

The Director of the Idaho Department of Environmental Quality hereby certifies that the loan application for the Cub River Acres Water System, DWSRF Loan #DW1002, has received full review and vetting required by law and the Department accepts full responsibility that the loan to the Cub River Acres Water System is an appropriate use of taxpayer funds pursuant to the American Recovery and Reinvestment Act (ARRA).

The loan to the Cub River Acres Water System is to: make improvements to wells 3 and 4; make improvements to the storage tank that includes construction of a valve vault, PVC piping, a core concrete wall, flow centers and an increase in power; make treatment improvements; and, make improvements and refurbishments to the distribution system piping. The project is estimated to cost a total of \$453,025 which will be funded by American Recovery and Reinvestment Act (ARRA) funds.

Dated October 15, 2009
